**Elcona
Shorthorns**

AUCTION SALE
ELKHART, INDIANA

November 1, 1947

Mr. & Mrs. E. M. Sims
Elkhart, Indiana

A scene in the pasture at Elcona Farms.

NO TRIP is too long and any cost of travel is perfectly justified when Shorthorns of such outstanding bloodlines and quality are to be sold. This sale will provide the finest buying opportunity of the year.

General Information

LOCATION—Elkhart is located one hundred miles east of Chicago on the main line of the New York Central Railroad. It is also the northern terminus of one branch of the Big Four, and it is served by several local and through bus lines. Federal Routes 20 and 33 pass through it, as does Indiana Road 19.

The sale will be held at Elcona Farm No. 2, located one mile west of Road 19 and about five miles south of Elkhart. Visitors coming out of Elkhart by auto should follow Road 19 south, from its intersection with Route 33 at the west edge of Elkhart, four and a quarter miles to a gravel road. Turn west one mile to a pavement and then south half a mile to the farm.

Visitors using Federal Route 6 should travel north on Road 19 at Napanee six miles, then west one mile to Wakarusa, and north five miles.

Persons arriving in Elkhart by train or bus should go to Hotel Elkhart, from which transportation to the farm will be available at frequent intervals. The hotel is one block east and two blocks north of the New York Central station and one half block east and one north from the bus depot. Reservations for those arriving the day before will be made at Hotel Elkhart if they will notify us.

The sale will start promptly at 1:00 P. M. on Saturday, November 1, 1947.

Lunch will be served at the farm.

Headquarters for those who travel by train or bus will be at the Elkhart Hotel in Elkhart, Indiana. When you arrive in Elkhart, go directly to this hotel where transportation to the farm will be available.

Those who wish to secure further information about the cattle in this sale or regarding travel accommodations either by train, bus or auto should get in touch with Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Illinois.

The auctioneers will be Hamilton James and Romaine Sherman.

Announcement

Ernest M. Sims

This is the first sale in which only cattle owned by Elcona Farms have been offered to the buyers of Shorthorns. It is also the first event in which sons and daughters of Edellyn Royal Leader 22D have been presented. Last August we acquired the fine herd of T. Dorsey Jones and from it we have drawn a number of calves and a few cows to enter in this sale, so that the many friends and admirers of Mr. Jones and his great herd may have an opportunity to buy animals of his breeding.

You are cordially invited to be with us on sale day. We will do everything possible to make your visit pleasant and comfortable and whether you buy or not, we believe you will enjoy the day, making new acquaintances and renewing old friendships among the fine folks who assemble at Shorthorn sales.

NOTED HERD GOES INTO STRONG HANDS

The most noteworthy private treaty sale of the year was the sale recently of the famous herd, the property of T. Dorsey Jones, Shelbyville, Indiana, to Mr. and Mrs. E. M. Sims, Elkhart, Indiana. Dorsey Jones has been a breeder of Shorthorns on his noted Raveni Farm for approximately a quarter of a century. During that time he has produced International and State Fair grand champions and the productions of his herd have been distributed into all parts of the U. S. and Canada where they have been highly instrumental in breed improvement. His purchase many years ago of the impressive Indiana State Fair grand champion, Browndale Star, followed by the famous sire Browndale Pilot, gave rise to the expression "the perfect nick" because of the many outstanding prize winners sired by Browndale Pilot out of Browndale Star cows.

It would require a complete issue of The

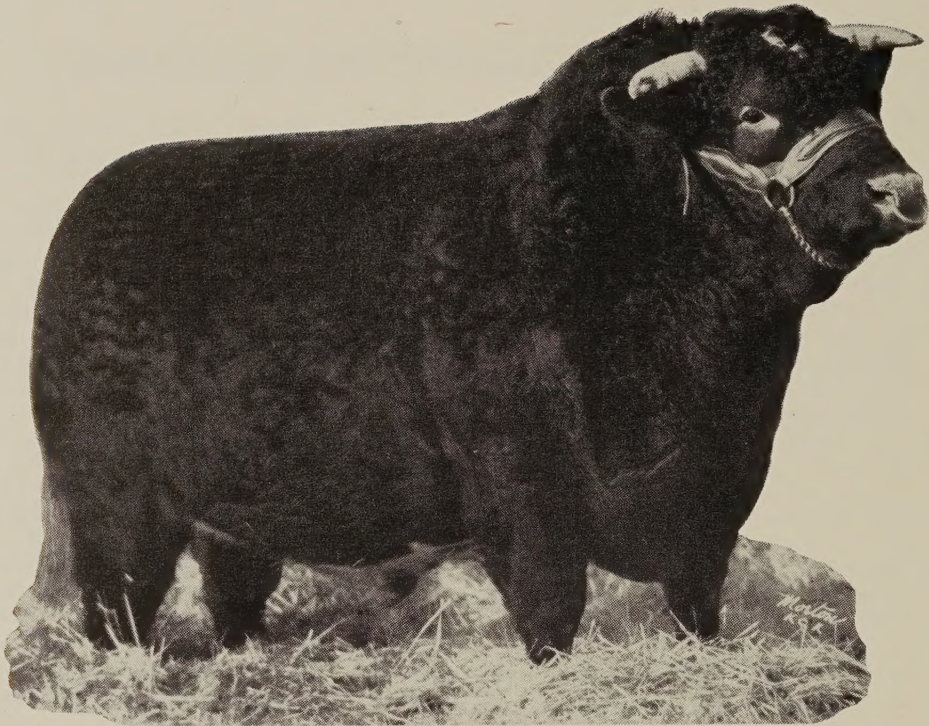

Bred by T. Dorsey Jones. The kind we acquired when we purchased the entire Raveni Herd.

Shorthorn World to list all of the noted animals that have gone out from this famous herd. However, one cannot fail to mention the International junior champion, Raveni Leader, that made a great reputation for Mr. Jones and afterward was one of the principal stock bulls in the Edellyn herd. Raveni Masterpiece, another Dorsey Jones production, won the grand championship at the International and later went to the noted Robinwood herd where he sired many winners and outstanding breeding cattle.

The herd as it is constituted today and as it has been transferred to Mr. and Mrs. Sims to become a part of their notable collection at Elcona Farms, consists of the principal herd bull, Killearn Norseman 5th by the Perth reserve supreme champion, Norseman (Imp.); seventeen grand cows with their calves at foot; eleven young cows and heifers that are bred and safely with calf; four open heifers and eleven bulls just approaching serviceable age. Five of the cows that have the calves at foot were imported and brought to the herd some of the best of present day Scottish blood. All of the open heifers, nearly all of the calves that are at foot besides the cows, some of the bred heifers and most of the bulls are the get of Killearn Norseman 5th, a bull that was purchased at the Gallinger sale in Alberta two years ago and which has proven to be an excellent sire.

It is to be regretted that serious illness prevents Dorsey Jones from carrying on his breeding operations at Raveni. A little bit more than a year ago he reduced his herd considerably in order to make it easier for him to look after the details. His health has not improved and it was found necessary to relinquish the load that the care of the herd has put upon him.

Those who know Mr. and Mrs. Sims and the splendid results that they have achieved with Shorthorns realize that the herd is going into good hands and will continue to work improvement for the breed. Most of the animals in the herd are descended from the same ancestors and carry the same genes as those that produced the great bulls Raveni Masterpiece, Raveni Leader, Browndale Commander, Browndale Conqueror and others.

SNI-A-BAR ROYAL BARON 1929067

Our former herd bull. Many times a champion and sire of champions.

This is not just another sale offering. It is an offering that differs from most in that there are no weak entries. Each lot is of the most modern type, of the highest quality, and has a pedigree that gives assurance that it will breed true to its characteristics.

In buying breeding cattle at public auctions, there are certain fundamentals that should not be overlooked. They include the integrity of the breeder and owner of the cattle, the strength of the foundation upon which the owner's herd was laid, the standing of the bulls that head the herd, the quality and conformation of the animals in the sale offering and the health of the herd from which they come.

As an outsider who has been familiar with the Elcona Herd since its inception, I can express my own opinion without restraint. The owner is known to be among the most honorable men connected with the live-stock industry. The herd was founded within the memory of most present day breeders and it is common knowledge that only the best of females were selected. It is common knowledge also that the bulls that have been used rate among the best of the breed.

You will note that superlatives have not been used in the descriptions in this catalog because the owner prefers to accept the judgment of the public as to the individuality and quality of these cattle. Having studied the sources of supply for good seed stock rather carefully over a period of a good many years, I realize that some places provide better buying opportunities and a greater measure of safety than others. I think that Elcona Farms, under the guidance of Mr. Sims, is among the best.

HAL LONGLEY of The Shorthorn World.

GUARANTEE—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

TERMS—The terms of this sale are cash unless arrangements are made in advance with the owner. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

HEALTH—All cattle in this sale have been tested for Bangs Disease and Tuberculosis within 30 days of the date of the sale. As a further safeguard, all of the females in this sale have been vaccinated for Bangs Disease. A 60 day Tuberculin retest will be allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go. Health certificates will be provided with each lot sold.

LIABILITY—The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

MAIL ORDERS—Those unable to be present and who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

Edward Huff, The Shorthorn World, Aurora, Ill.

C. K. Tomson, American Shorthorn Breeders' Association, Union Stock Yards, Chicago, Ill.

The Elcona Breeding Herd

Elcona Farms started to breed purebred Shorthorn cattle in 1939. From the beginning, it has been the policy to place in the herd only those animals which measure up, in pedigree and individuality to the highest standards of type and quality. Price was a secondary consideration and the foundation stock was secured by purchasing the tops in many of the leading sales in this country and Canada.

From time to time the original number has been augmented by additions bought at private treaty and at public auction, with the same high standards controlling the selections. Every cattle man who has seen the Elcona breeding females has been strongly impressed with the unusual uniformity of the entire herd. This result has been possible because at the start a definite type was set up as the guide and that type has governed no matter where the purchases were made.

Th most highly regarded blood lines are represented at Elcona. Both show and production records have been examined and if a list were made of the famous names appearing in the pedigrees that make up the Elcona herd book, it would constitute a veritable "who's who" in Shorthorn history.

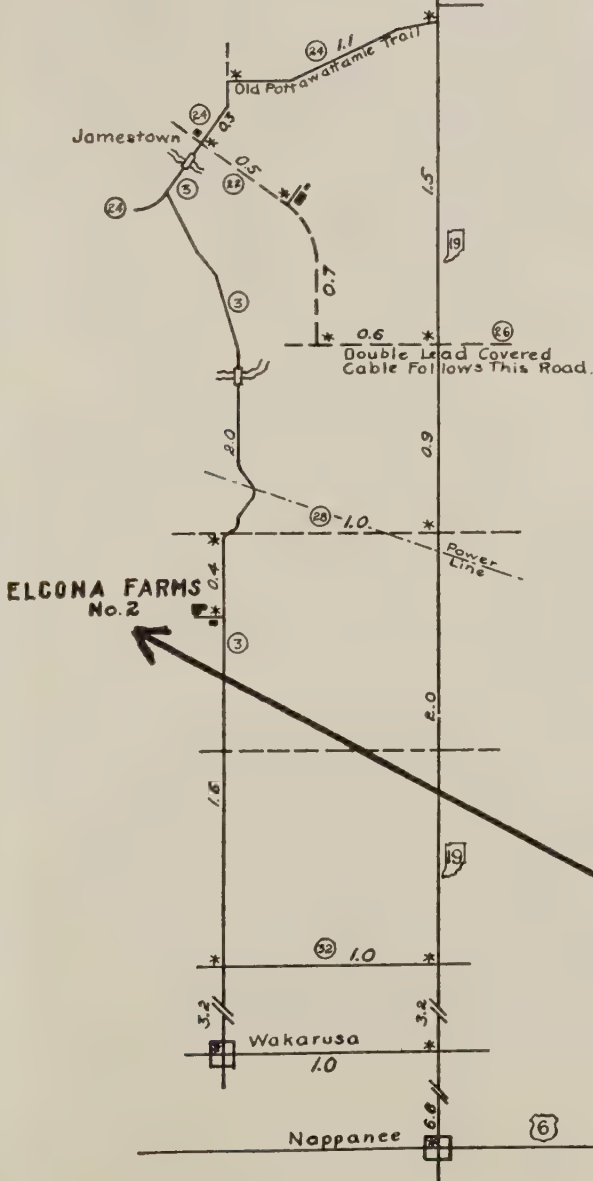

Recently the entire famous Raveni Herd was purchased. This brings the Elcona Herd to the highest point in it's history in both numbers and quality. With Edellyn Royal Leader 22d and Killearn Norseman 5th as herd bulls, a combination has been established that will be recognized as noteworthy wherever good Shorthorns are bred.

See the following page for the description of this
grand young Elcona herd sire.

Edellyn Royal Leader 22d 2247151

Elcona Farms' herd sire carries the most potent blood of the breed. The extended pedigree is dotted with famous names that have made Shorthorn history—Coldoch Sensation, Calrossie Mercury, Calrossie Grand National, Calrossie Control, Sultan Browndale, Glenburn Field Marshall, Naemoor Jasper, Browndale Count, Browndale, and Collynie Royal Leader. The last, greatest of all Shorthorn bulls, appears six times in the ancestry of sire and dam.

His sire, Edellyn Royal Leader, has earned the rating of All-American favorite during the four years since Professor Don Kays made him Grand Champion, at nine months, in the 1941 Indiana State Fair. His sons and daughters have been winning top honors in the leading shows and sales and have set a new modern record for consistently high sale prices. Sixteen of his sons, offered in the Edellyn Sales of 1944 and 1945 and the Congress Sales of the same years, averaged \$4,264. Eleven of his daughters, sold in the same events, brought an average of \$1,782.

This young bull's dam, an Edellyn show heifer, is a daughter of Calrossie Mercury, Perth Champion in 1939 and head of the New Dynasty. He is the son of the 1933 Perth Champion, sire of the 1941 Perth top winner, and grandsire of the bull that received the 1945 supreme Perth award. Here is a succession of four Perth Championships, a record never before equalled in Shorthorn history. The pre-potency of this line is thus assured, but it has been further demonstrated by the remarkable success of the sons and daughters and the grandsons and granddaughters of Calrossie Mercury in this country. The dam is a member of Mr. Wilson's famous Orange Blossom family. Her dam, another show winner, is a daughter of Sultan Browndale, International Grand Champion, and on both her sire's and her dam's sides, she traces back to Browndale Count.

Grand Champion bulls at both the 1944 and 1945 International Congress Shows were sons of Edellyn Royal Leader and out of Calrossie Mercury dams. The first went to Byron Hawks at \$6,700 and the second to Hal Williams for \$7,000. Reserves to the Grand Champion female in both shows were daughters of the All-American favorite, the winner of this award in 1945 being also a daughter of Mercury. The 1944 Reserve Champion sold for \$2,100 to Dr. Taylor and the winner of the 1945 reserve position went to Mr. Strauss at \$3,000 for his Cherry Hill Farm in Maryland.

In Mr. Wilson's 1944 sale, George Rossetter & Sons bought a son of Edellyn Royal Leader at the top figure of \$9,000. In that year Professor Kays backed up his own judgment of the worth of Edellyn Royal Leader when he bought at private treaty one of his sons to head the Ohio State University herd. Elcona topped the Edellyn sale in 1945 with the purchase of Edellyn Royal Leader 22D at \$6,500.

In the Edellyn sale of June 1947, seven sons of Edellyn Royal Leader sold for an average of \$2,582. Eight of his daughters averaged \$2,794. The top son of Leader, out of a Mercury dam, went to George W. Rossetter at \$3,400. The top daughter was bought by Lynnwood Farms for \$5,100.

A son of Edellyn Royal Leader out of a Mercury dam sold in the 1946 Congress sale for \$7,200. A grandson was Grand Champion of the sale cattle and sold for \$2,700 and a daughter brought \$2,700. The sale averages for sons and daughters of Edellyn Royal Leaders have set a record that has not been equalled in modern Shorthorn history.

We acquired this sensational young sire through our purchase of the entire T. Dorsey Jones herd. He was bought for Mr. Jones by Will Johnson at the Gallinger Sale at Edmonton, Alberta, for use as a herd bull at Raveni Stock Farms. His sire is the noted Norseman (Imp.) that was sired by Coldoch Sensation, bred by James Durno, Uppermill, Scotland, and was reserve supreme champion at the 1943 Perth show and sale. His dam, Danny's Golden Gem, is a Laverder by the noted Danny Boy (Imp.), a son of Aldie Prince Regent and a grandson of Naemoor Jasper. A number of his calves are included in this sale and we are very sure you will like them. More about Killearn Norseman 5th will be found in the footnote under Lot 28.

In the Elcona-Shore Acres sale of March 25, 1946, Mr. Jones bought the dam of this young bull for \$850.00. She has proved to be one of the best "buys" in that event. Her dam, a daughter of Rigfoot Sensation, twice Canadian National Grand Champion, was Junior and Reserve Grand Champion at the 1940 Canadian National. At the International the same year, she stood fourth in a strong class of thirty-seven that was won by Divide Patience 51st, later made Grand Champion. Her dam, Klaymor Amy, was also the mother of the heifer that sold in the 1943 Murphy sale at \$3,000, the top price paid in Canada for a female in several years and only exceeded in the United States up to that time by one female. The sire of Sensation leader is our great young herdsire, Edellyn Royal Leader 22D.

Her first calf, a heifer, was Champion of the May, 1943, Indiana Shorthorn Breeders' Association show and sold to Merryvale Farms at the top figure of \$1100. We are retaining her second calf, another daughter, in the Elcona herd. She was Champion female in the Indiana Gold Medal Show at the 1946 State Fair. This young bull is a beautiful dark even roan. He was Reserve Champion in the Gold Medal Show and stood fourth in the strong Senior Calf class of the Open competition at the 1947 Indiana State Fair.

The sire of this calf, Browndale Chancellor, is solid red. He sold for \$750.00 in the T. Dorsey Jones sale of November 14, 1945. His red sire, Klaymor Comet by Jim Russell's famous bull, Collynie Royal Barrage, was a first prize winner in the International of 1939. His first bull calf was bought by William A. Allison's Sons for \$2400.00 and made a fine record in their herd. Browndale Rothes' dam was a daughter of Browndale Pilot, descendent of such immortal ancestors as Browndale Count, Avondale, and Whitehall Sultan, and one of the team that produced "The Perfect Nick."

O.A.C. Rosamond 40th has been a consistent producer in our herd since we bought her. Her sire, O A C Ransom 5th, is one of the best sons of Millhills Ransom, \$15,000 imported head of the famous Ontario Agricultural College herd. A daughter sold for \$500 in the Elcona-Shore Acres sale of March 25, 1946, and Lot No. 9 in this catalogue is also a daughter. Elcona Ransom Leader is her seventh calf since December, 1941. There have been three bulls and three heifers and all have been red.

If your herd needs the lift that can come only through the introduction of the richest blood of the Shorthorn breed . . . if you want to buy the kind of seed stock that will produce calves of highest quality . . . then you should attend this Elcona Sale. Because this sale will feature the perfect combination of the right kind of cattle with the right kind of pedigrees and offered by the right kind of people, it is an event that the right kind of Shorthorn cattlemen will want to attend.

There are some well known names in this pedigree. Collynie Royal Barrage, Aldie Aristocrat, grandson of Naemoor Jasper, and Scotston Airman all have made enviable records. Murphy Brothers bought the sire of Oakfield Aristocrat in the 1942 W. J. Russell sale for the top figure of \$3400. In the Murphy sale of October 1944, when we bought Oakfield Aristocrat for \$1600, 10 red daughters of Klaymor Favorite average exactly \$900. Bred to Edellyn Royal Leader 22d.

A half sister of this calf, by Klaymor Extra, sold in the Shore Acres-Elcona sale of March, 1946, to Broadfields Farm for \$1325. We bought the dam in the November, 1943, Maxwalton-Elcona sale for \$725. Her dam sold in the same sale with a calf at foot for \$1100. The sire of Maxwalton Bess is the famous imported Marshall bred bull, Cruggleton Caesar. Bred to Edellyn Royal Leader 22d. Particulars of Oakfield Aristocrat are given in the footnote with Lot No. 21.

This heifer and three others in this sale are by Killearn Norseman 5th, the bull that headed the Raveni herd for the last two years. He was bought for Mr. Jones by Bill Johnson at the first annual Killearn Farms sale, held at Edmonton, Alberta, on May 15, 1945. In that sale, Claude Gallinger, owner of Killearn, offered 23 bulls of which 14, including Killearn Norseman 5th, were sons of Norseman which averaged \$1771. Breeders were present at that sale from many parts of Canada and the United States, and all agreed that they had rarely, if ever, seen as many bulls presented in one sale of such uniformity and quality. In 1946 and 1947, Mr. Gallinger held his second and third annual sales and in these two events he catalogued 65 bulls which sold at similar high averages. Of the sixty-five, thirty-one were by Norseman and two by sons of Norseman. Norseman was Reserve Grand Champion at Perth in 1943 and was sold to Mr. Gallinger for 1,000 guineas. He was bred by James Durno, Uppermill, Aberdeenshire, Scotland, and is a son of Coldoch Sensation, the sire of Mr. Wilson's All-American Favorite, Edellyn Royal Leader, and grandsire of Edellyn Royal Leader 22d. The dam of Raveni Goldie Girl 3d is by Klaymor Comet, described in the footnote with Lot No. 5. The maternal granddam is a daughter of Calrossie Randolph, famous sire in the J. MacGillivray herd.

The cow herd of the Ontario Agricultural College is one of outstanding excellence. A year ago last summer we were able to secure two females from this famous herd and this heifer is a daughter of one of them. Her pedigree is thickly studded with famous bulls, Aldie Conqueror, O A C Ransom 2d, probably the best son of Millhills Ransom, and Walshford Paymaster. O A C Ransom 23d was retained in the College herd and is regarded by many as the best of the Millhills Ransom grandsons. Elcona Ransom was a member of our 1947 show herd and stood well up in the money wherever exhibited.

Dr. Hart has been a breeder of consistently good Shorthorns for many years. Two bulls in this pedigree are worthy of special note, Campbell's Command, International Grand Champion, and Brawith Boy, Highland Champion. Bred March 9, 1947 to Edellyn Royal Leader 22d.

It was a source of great satisfaction to us that the public placed a hearty stamp of approval on Edellyn Royal Leader 22d on the occasion of our 1946 auction sale. The hundreds who inspected the Elcona cow herd on this same day also were very complimentary in their remarks. Through such matings, we are producing calves that eliminate the element of chance for Elcona customers.

Here are a few of the cows that came to us through the purchase of the T. Dorsey Jones herd.
